

FOLD

The Architectural Association of Ireland (AAI) was asked by group of architectural graduates to organise a print sale to provide aid for those suffering in Gaza. In response to an open call, individual architects, students, photographers and practices submitted drawings, sketches, photos, collages and other artworks. Prints of these works were made available for purchase through the AAI, with funds raised going to Medical Aid Palestine. MAP provide immediate medical aid to those in great need while also developing local capacity and skills to ensure the long-term development of the Palestinian healthcare system.

The prints will be available for collection at a special AAI hosted event at the end of January 2024, where additional donated original artworks and pieces of Palestinian designed and made furniture will be raffled to raise further funds. Details of this event will be confirmed in the new year, and published on our website and social media channels. Please email [contact@architecturalassociation.ie](mailto:contact@architecturalassociation.ie) if you require alternative arrangements.

Thank you for supporting the AAI Print Sale to raise funds to provide aid for those suffering in Gaza. Please visit to our website [www.architecturalassociation.ie](http://www.architecturalassociation.ie) to view your selected piece. The creator of your particular work will be revealed on collection of the physical print. A full list of contributors can also be found on the AAI website.
